Canadian Government Publications

are available

across Canada!

Federal government publications are easily accessible to the Canadian public. To ensure this, the *Canadian Government Publishing Centre* has developed two programs which touch both commercial booksellers and libraries.

Through the **Associated Bookstores Program**, many commercial bookstores throughout Canada become outlets for the sale of Canadian Government publications. They carry a selection of the most requested priced titles and will order for you any other of our priced publications that they may not currently have in stock. If there is not an associated bookstore in your area, your local bookstore can order the required publication, or you may order directly by writing to the following address:

Canadian Government Publishing Centre
Supply and Services Canada
Ottawa, Canada
K1A 0S9

The *Canadian Government Publishing Centre* is also responsible for the **Depository Services Program**. Through this program a large number of public and educational libraries regularly obtain new Canadian Government Publications free of charge. There are two types of depository libraries — full and selective. The full depositories automatically receive all federal government publications (free and priced). These libraries are therefore an excellent source for consulting a major selection of government publications. Full depositories are indicated by an asterisk in this list.

The selective depositories are those libraries entitled to select, free of charge, any title appearing in the *Weekly Checklist of Canadian Government Publications*. Selective depositories choose titles that are best suited for the needs of their clientele. Through interlibrary loans and other means, the selective depositories can provide you with just about any federal government publications you require.

There you have it! Two excellent means of accessing federal government publications.

The following list is your guide to where these publications can be either **purchased** or **consulted** across Canada.

Les publications

du gouvernement du Canada

sont disponibles

à travers le Canada!

Le grand public canadien a facilement accès aux publications du gouvernement du Canada. Ceci est rendu possible par le *Centre d'édition du gouvernement du Canada* qui a développé deux programmes impliquant les librairies commerciales et les bibliothèques.

Par l'entremise du **Programme des librairies associées**, plusieurs librairies commerciales sont maintenant des points de vente des publications du gouvernement canadien. Ces librairies vendent une sélection de titres choisis en plus de fournir aux clients un service de commandes spéciales pour les titres demandés et qui ne seraient pas en librairie. De plus, en l'absence d'une librairie associée dans votre région, votre librairie locale peut aisément commander nos publications, ou encore, vous pouvez envoyer directement votre commande à l'adresse suivante:

Centre d'édition du gouvernement du Canada
Ministère des Approvisionnements et Services
Ottawa (Canada)
K1A 0S9

Le *Centre d'édition du gouvernement du Canada* administre également le **Programme du service de dépôt**. Ce programme permet aux bibliothèques publiques et éducationnelles d'obtenir gratuitement et régulièrement les nouvelles publications du gouvernement du Canada. Il y a deux catégories de bibliothèques de dépôt: universel et sélectif. Les dépôts universels reçoivent automatiquement un exemplaire de toutes les publications (gratuites ou tarifées) du gouvernement du Canada. Ces bibliothèques sont donc une excellente source pour la consultation des publications gouvernementales. Dans la présente liste, un astérisque devant le nom d'une bibliothèque signifie qu'elle possède le statut de dépôt universel.

Les dépôts sélectifs sont des bibliothèques ayant le droit de recevoir gratuitement, sur demande, un exemplaire de toutes les publications (gratuites ou tarifées) inscrites sur la *Liste hebdomadaire des publications du gouvernement du Canada*. Ces bibliothèques choisissent les titres qu'elles jugent utiles à leurs clientèles. Aussi, par l'entremise des prêts entre bibliothèques et autres moyens, les dépôts sélectifs sont en mesure de vous fournir la presque totalité des publications fédérales dont vous faites la demande.

Et voilà, pour vous, deux façons efficaces d'avoir accès aux publications du gouvernement canadien.

Le répertoire suivant indique les endroits où vous pouvez **acheter** ou **consulter** ces publications à travers le Canada.

Where and How...
to obtain Canadian
Government Publications

Où et comment...
obtenir les publications
du gouvernement du Canada

May 1987

Mai 1987

Canada

Canadian Government Publications are available across Canada!

Federal government publications are easily accessible to the Canadian public. To ensure this, the *Canadian Government Publishing Centre* has developed two programs which touch both commercial booksellers and libraries.

Through the **Associated Bookstores Program**, many commercial bookstores throughout Canada become outlets for the sale of Canadian Government publications. They carry a selection of the most requested priced titles and will order for you any other of our priced publications that they may not currently have in stock. If there is not an associated bookstore in your area, your local bookstore can order the required publication, or you may order directly by writing to the following address:

Canadian Government Publishing Centre
Supply and Services Canada
Ottawa, Canada
K1A 0S9

The *Canadian Government Publishing Centre* is also responsible for the **Depository Services Program**. Through this program a large number of public and educational libraries regularly obtain new Canadian Government Publications free of charge. There are two types of depository libraries — full and selective. The full depositories automatically receive all federal government publications (free and priced). These libraries are therefore an excellent source for consulting a major selection of government publications. Full depositories are indicated by an asterisk in this list.

The selective depositories are those libraries entitled to select, free of charge, any title appearing in the *Weekly Checklist of Canadian Government Publications*. Selective depositories choose titles that are best suited for the needs of their clientele. Through interlibrary loans and other means, the selective depositories can provide you with just about any federal government publications you require.

There you have it! Two excellent means of accessing federal government publications.

The following list is your guide to where these publications can be either **purchased** or **consulted** across Canada.

Les publications du gouvernement du Canada sont disponibles à travers le Canada!

Le grand public canadien a facilement accès aux publications du gouvernement du Canada. Ceci est rendu possible par le *Centre d'édition du gouvernement du Canada* qui a développé deux programmes impliquant les librairies commerciales et les bibliothèques.

Par l'entremise du **Programme des librairies associées**, plusieurs librairies commerciales sont maintenant des points de vente des publications du gouvernement canadien. Ces librairies vendent une sélection de titres choisis en plus de fournir aux clients un service de commandes spéciales pour les titres demandés et qui ne seraient pas en librairie. De plus, en l'absence d'une librairie associée dans votre région, votre librairie locale peut aisément commander nos publications, ou encore, vous pouvez envoyer directement votre commande à l'adresse suivante:

Centre d'édition du gouvernement du Canada
Ministère des Approvisionnements et Services
Ottawa (Canada)
K1A 0S9

Le *Centre d'édition du gouvernement du Canada* administre également le **Programme du service de dépôt**. Ce programme permet aux bibliothèques publiques et éducationnelles d'obtenir gratuitement et régulièrement les nouvelles publications du gouvernement du Canada. Il y a deux catégories de bibliothèques de dépôt: universel et sélectif. Les dépôts universels reçoivent automatiquement un exemplaire de toutes les publications (gratuites ou tarifées) du gouvernement du Canada. Ces bibliothèques sont donc une excellente source pour la consultation des publications gouvernementales. Dans la présente liste, un astérisque devant le nom d'une bibliothèque signifie qu'elle possède le statut de dépôt universel.

Les dépôts sélectifs sont des bibliothèques ayant le droit de recevoir gratuitement, sur demande, un exemplaire de toutes les publications (gratuites ou tarifées) inscrites sur la *Liste hebdomadaire des publications du gouvernement du Canada*. Ces bibliothèques choisissent les titres qu'elles jugent utiles à leurs clientèles. Aussi, par l'entremise des prêts entre bibliothèques et autres moyens, les dépôts sélectifs sont en mesure de vous fournir la presque totalité des publications fédérales dont vous faites la demande.

Et voilà, pour vous, deux façons efficaces d'avoir accès aux publications du gouvernement canadien.

Le répertoire suivant indique les endroits où vous pouvez **acheter** ou **consulter** ces publications à travers le Canada.

Canada

Canadian Government Publications are available across Canada!

Federal government publications are easily accessible to the Canadian public. To ensure this, the *Canadian Government Publishing Centre* has developed two programs which touch both commercial booksellers and libraries.

Through the **Associated Bookstores Program**, many commercial bookstores throughout Canada become outlets for the sale of Canadian Government publications. They carry a selection of the most requested priced titles and will order for you any other of our priced publications that they may not currently have in stock. If there is not an associated bookstore in your area, your local bookstore can order the required publication, or you may order directly by writing to the following address:

Canadian Government Publishing Centre
Supply and Services Canada
Ottawa, Canada
K1A 0S9

The *Canadian Government Publishing Centre* is also responsible for the **Depository Services Program**. Through this program a large number of public and educational libraries regularly obtain new Canadian Government Publications free of charge. There are two types of depository libraries — full and selective. The full depositories automatically receive all federal government publications (free and priced). These libraries are therefore an excellent source for consulting a major selection of government publications. Full depositories are indicated by an asterisk in this list.

The selective depositories are those libraries entitled to select, free of charge, any title appearing in the *Weekly Checklist of Canadian Government Publications*. Selective depositories choose titles that are best suited for the needs of their clientele. Through interlibrary loans and other means, the selective depositories can provide you with just about any federal government publications you require.

There you have it! Two excellent means of accessing federal government publications.

*The following list is your guide to where these publications can be either, **purchased** for **consulted** across Canada.*

Les publications du gouvernement du Canada sont disponibles à travers le Canada!

Le grand public canadien a facilement accès aux publications du gouvernement du Canada. Ceci est rendu possible par le *Centre d'édition du gouvernement du Canada* qui a développé deux programmes impliquant les librairies commerciales et les bibliothèques.

Par l'entremise du **Programme des librairies associées**, plusieurs librairies commerciales sont maintenant des points de vente des publications du gouvernement canadien. Ces libraires vendent une sélection de titres choisis en plus de fournir aux clients un service de commandes spéciales pour les titres demandés et qui ne seraient pas en librairie. De plus, en l'absence d'une librairie associée dans votre région, votre librairie locale peut aisément commander nos publications, ou encore, vous pouvez envoyer directement votre commande à l'adresse suivante:

Centre d'édition du gouvernement du Canada
Ministère des Approvisionnements et Services
Ottawa (Canada)
K1A 0S9

Le *Centre d'édition du gouvernement du Canada* administre également le **Programme du service de dépôt**. Ce programme permet aux bibliothèques publiques et éducationnelles d'obtenir gratuitement et régulièrement les nouvelles publications du gouvernement du Canada. Il y a deux catégories de bibliothèques de dépôt: dépôt universel et dépôt sélectif. Les bibliothèques de dépôt universel reçoivent automatiquement et gratuitement un exemplaire de toutes les publications (gratuites ou tarifées) du gouvernement du Canada. Ces bibliothèques sont donc une excellente source en vue de consulter une vaste sélection de publications gouvernementales. Dans la présente liste, un astérisque devant le nom d'une bibliothèque signifie qu'elle possède le statut de dépôt universel.

Les dépôts sélectifs sont les bibliothèques ayant le droit de recevoir gratuitement, sur demande, un exemplaire de toutes les publications (gratuites ou tarifées) inscrites sur la *Liste hebdomadaire des publications du gouvernement du Canada*. Ces bibliothèques choisissent les titres qu'elles jugent utiles à leurs clientèles. Aussi, par l'entremise des prêts entre bibliothèques et autres moyens, les dépôts sélectifs sont en mesure de vous fournir la presque totalité des publications fédérales dont vous faites la demande.

Et voilà, pour vous, deux façons efficaces d'avoir accès aux publications du gouvernement canadien.

*Le répertoire suivant indique les endroits où vous pouvez **acheter** ou **consulter** ces publications à travers le Canada.*

Where and How...
to obtain Canadian
Government Publications

Où et comment...
obtenir les publications
du gouvernement du Canada

October 1984

Octobre 1984

Canada

Canadian Government Publications are available across Canada!

Federal government publications are easily accessible to the Canadian public. To ensure this, the *Canadian Government Publishing Centre* has developed two programs which touch both commercial booksellers and libraries.

Through the **Authorized Bookstore Agents Program**, many commercial bookstores throughout Canada become agents for the sale of Canadian Government publications. They carry a selection of the most requested priced titles and will special order for you any other of our priced publications that they may not currently have in stock. If there is not an authorized bookstore agent in your area, your local bookstore can order the required publication, or you may order directly by writing to the following address:

Canadian Government Publishing Centre
Supply and Services Canada
Ottawa, Canada
K1A 0S9

The *Canadian Government Publishing Centre* is also responsible for the **Depository Services Program**. Through this program a large number of public and educational libraries regularly obtain new Canadian Government Publications free of charge. There are two types of depository libraries — full and selective. The full depositories automatically receive all federal government publications (free and priced). These libraries are therefore an excellent source for consulting a major selection of government publications. Full depositories are indicated by an asterisk in this list.

The selective depositories are those libraries entitled to select, free of charge, any title appearing in the *Weekly Checklist of Canadian Government Publications*. Selective depositories choose titles that are best suited for the needs of their clientele. Through interlibrary loans and other means, the selective depositories can provide you with just about any federal government publications you require.

There you have it! Two excellent means of accessing federal government publications.

The following list is your reference to where these publications can be either purchased or consulted across Canada.

Les publications du gouvernement du Canada sont disponibles à travers le Canada!

Le grand public canadien a facilement accès aux publications du gouvernement du Canada. Ceci est rendu possible par le *Centre d'édition du gouvernement du Canada* qui a développé deux programmes impliquant les librairies commerciales et les bibliothèques.

Par l'entremise du **Programme des agents libraires**, plusieurs librairies commerciales sont maintenant agréées pour la vente des publications du gouvernement canadien. Ces libraires vendent une sélection de titres choisis en plus de fournir aux clients un service de commandes spéciales pour les titres demandés et qui ne seraient pas en librairie. De plus, en l'absence d'un agent libraire agréé dans votre région, votre libraire local peut aisément commander nos publications, ou encore, vous pouvez nous écrire directement en postant votre commande à l'adresse suivante:

Centre d'édition du gouvernement du Canada
Ministère des Approvisionnements et Services
Ottawa (Canada)
K1A 0S9

Le *Centre d'édition du gouvernement du Canada* est aussi responsable pour le **Programme du service de dépôt**. Ce programme permet aux bibliothèques publiques et éducationnelles d'obtenir gratuitement et régulièrement les nouvelles publications du gouvernement du Canada. Il y a deux catégories de bibliothèques de dépôt: dépôt universel et dépôt sélectif. Les bibliothèques de dépôt universel reçoivent automatiquement et gratuitement un exemplaire de toutes les publications (gratuites ou tarifées) du gouvernement du Canada. Ces bibliothèques sont donc une excellente source en vue de consulter une vaste sélection de publications gouvernementales. Dans la présente liste, un astérisque devant le nom de la bibliothèque signifie qu'elle possède le statut de dépôt universel.

Les dépôts sélectifs sont les bibliothèques ayant le droit de recevoir gratuitement, sur demande, un exemplaire de toutes les publications (gratuites ou tarifées) inscrites sur la *Liste hebdomadaire des publications du gouvernement du Canada*. Ces bibliothèques choisissent les titres qu'elles jugent utiles à leurs clientèles. Aussi, par l'entremise des prêts entre bibliothèques et autres moyens, les dépôts sélectifs sont en mesure de vous fournir la presque totalité des publications fédérales dont vous faites la demande.

Et voilà! Pour vous, deux façons efficaces d'avoir accès aux publications du gouvernement canadien.

Le répertoire suivant indique les endroits où vous pouvez acheter ou consulter ces publications à travers le Canada.

Centennial Agenda — Parks Canada

R62-198-1984 Boxed \$9.95

In 1885 Canada's legislators laid the groundwork for what became one of the finest national park systems in the world. Today, the splendour of our varied landscape is preserved in areas totalling over 130,000 square kilometres.

To commemorate the National Parks Centennial, Parks Canada is offering a handsome daily agenda and calendar-poster.

Ideal for personal use or for gift-giving, the agenda, designed for use in any year, features magnificent photographs of national parks, national historic parks and sites, and heritage canals.

Also included are a three year calendar, pages for notes, addresses and telephone numbers, plus a map of Canada indicating the location of all these heritage places.

21 pp. 21 cm x 17.5 cm 1984

Agenda pour le centenaire de Parcs Canada

R62-198-1984 Boîtier 9,95 \$

En 1885, nos législateurs établissaient les bases d'un réseau de parcs nationaux qui allait devenir l'un des plus réputés au monde. Aujourd'hui nos parcs couvrent une superficie de plus de 130,000 km² et préserve une sélection des plus beaux paysages du Canada.

Pour commémorer le centenaire des parcs nationaux, Parcs Canada met deux calendriers à la disposition du public, l'un sous forme d'agenda de bureau et l'autre sous forme d'affiche.

L'agenda comporte une collection de photos remarquables illustrant les parcs nationaux, les parcs et lieux historiques nationaux et les canaux historiques. Il comprend un calendrier de trois ans pouvant être utilisé n'importe quelle année ainsi que de l'espace pour vos notes personnelles, vos adresses et numéros de téléphone. L'agenda est également agrémenté d'une carte du Canada qui situe les lieux de notre patrimoine national. Conservez-le ou offrez-le en cadeau.

Canadian Government Publications are available across Canada!

Federal government publications are easily accessible to the Canadian public. To ensure this, the *Canada Communication Group - Publishing* has developed two programs which touch both commercial booksellers and libraries.

Through the **Associated Bookstores Program**, many commercial bookstores throughout Canada become outlets for the sale of Canadian Government publications. They carry a selection of the most requested priced titles and will order for you any other of our priced publications that they may not currently have in stock. If there is not an associated bookstore in your area, your local bookstore can order the required publication, or you may order directly by writing to the following address:

Canada Communication Group
Publishing
Ottawa, Canada
K1A 0S9
Fax: 994-1498
Telephone orders: (819)956-4802
Information: (819)956-4800

The *Canada Communication Group - Publishing* is also responsible for the **Depository Services Program**. Through this program a large number of public and educational libraries regularly obtain new Canadian Government Publications free of charge. There are two types of depository libraries — full and selective. The full depositories automatically receive all federal government publications (free and priced). These libraries are therefore an excellent source for consulting a major selection of government publications. Full depositories are indicated by an asterisk in this list.

The selective depositories are those libraries entitled to select, free of charge, any title appearing in the *Weekly Checklist of Canadian Government Publications*. Selective depositories choose titles that are best suited for the needs of their clientele. Through interlibrary loans and other means, the selective depositories can provide you with just about any federal government publications you require.

There you have it! Two excellent means of accessing federal government publications.

The following list is your guide to where these publications can be either **purchased** or **consulted** across Canada.

Free federal government publications are only available from the departments that publish them. Priced publications produced by the National Research Council, Statistics Canada and the National Museums of Canada are only available from those organizations. For your convenience we have included a list of addresses of the major departments that distribute free and/or priced publications. For information you should write directly to the department concerned.

Les publications du gouvernement du Canada sont disponibles à travers le Canada!

Le grand public canadien a facilement accès aux publications du gouvernement du Canada. Ceci est rendu possible par le *Groupe Communication Canada - Édition* qui a développé deux programmes impliquant les librairies commerciales et les bibliothèques.

Par l'entremise du **Programme des librairies associées**, plusieurs librairies commerciales sont maintenant des points de vente des publications du gouvernement canadien. Ces librairies vendent une sélection de titres choisis en plus de fournir aux clients un service de commandes spéciales pour les titres demandés et qui ne seraient pas en librairie. De plus, en l'absence d'une librairie associée dans votre région, votre librairie locale peut aisément commander nos publications, ou encore, vous pouvez envoyer directement votre commande à l'adresse suivante:

Groupe Communication Canada
Édition
Ottawa (Canada)
K1A 0S9
Télécopieur: 994-1498
Commandes téléphoniques: (819)956-4802
Renseignements: (819)956-4800

Le *Groupe Communication Canada - Édition* administre également le **Programme du service de dépôt**. Ce programme permet aux bibliothèques publiques et éducationnelles d'obtenir gratuitement et régulièrement les nouvelles publications du gouvernement du Canada. Il y a deux catégories de bibliothèques de dépôt: universel et sélectif. Les dépôts universels reçoivent automatiquement un exemplaire de toutes les publications (gratuites ou tarifées) du gouvernement du Canada. Ces bibliothèques sont donc une excellente source pour la consultation des publications gouvernementales. Dans la présente liste, un astérisque devant le nom d'une bibliothèque signifie qu'elle possède le statut de dépôt universel.

Les dépôts sélectifs sont des bibliothèques ayant le droit de recevoir gratuitement, sur demande, un exemplaire de toutes les publications (gratuites ou tarifées) inscrites sur la *Liste hebdomadaire des publications du gouvernement du Canada*. Ces bibliothèques choisissent les titres qu'elles jugent utiles à leurs clientèles. Aussi, par l'entremise des prêts entre bibliothèques et autres moyens, les dépôts sélectifs sont en mesure de vous fournir la presque totalité des publications fédérales dont vous faites la demande.

Et voilà, pour vous, deux façons efficaces d'avoir accès aux publications du gouvernement canadien.

Le répertoire suivant indique les endroits où vous pouvez **acheter** ou **consulter** ces publications à travers le Canada.

Les publications **gratuites** publiées par le gouvernement fédéral sont disponibles seulement des ministères responsables. Les publications tarifées produites par le Conseil national de recherches, Statistique Canada et les Musées nationaux du Canada sont disponibles seulement de ces organismes. Pour votre convenance nous avons inclut une liste d'adresses des ministères qui distribuent des publications gratuites et/ou tarifées. Si vous désirez obtenir des renseignements supplémentaires, veuillez vous adresser directement au ministère concerné.

Canadian Government Publications are available across Canada!

Federal government publications are easily accessible to the Canadian public. To ensure this, the *Canadian Government Publishing Centre* has developed two programs which touch both commercial booksellers and libraries.

Through the **Associated Bookstores Program**, many commercial bookstores throughout Canada become outlets for the sale of Canadian Government publications. They carry a selection of the most requested priced titles and will order for you any other of our priced publications that they may not currently have in stock. If there is not an associated bookstore in your area, your local bookstore can order the required publication, or you may order directly by writing to the following address:

Canadian Government Publishing Centre
Supply and Services Canada
Ottawa, Canada
K1A 0S9
Telex: 053-4296 — **Fax:** 994-1498
Telephone orders: (819)997-2560

The *Canadian Government Publishing Centre* is also responsible for the **Depository Services Program**. Through this program a large number of public and educational libraries regularly obtain new Canadian Government Publications free of charge. There are two types of depository libraries — full and selective. The full depositories automatically receive all federal government publications (free and priced). These libraries are therefore an excellent source for consulting a major selection of government publications. Full depositories are indicated by an asterisk in this list.

The selective depositories are those libraries entitled to select, free of charge, any title appearing in the *Weekly Checklist of Canadian Government Publications*. Selective depositories choose titles that are best suited for the needs of their clientele. Through interlibrary loans and other means, the selective depositories can provide you with just about any federal government publications you require.

There you have it! Two excellent means of accessing federal government publications.

The following list is your guide to where these publications can be either **purchased** or **consulted** across Canada.

Free federal government publications are only available from the departments that publish them. Priced publications produced by the National Research Council, Statistics Canada and the National Museums of Canada are only available from those organizations. For your convenience we have included a list of addresses of the major departments that distribute free publications. For information you should write directly to the department concerned.

Les publications du gouvernement du Canada sont disponibles à travers le Canada!

Le grand public canadien a facilement accès aux publications du gouvernement du Canada. Ceci est rendu possible par le *Centre d'édition du gouvernement du Canada* qui a développé deux programmes impliquant les librairies commerciales et les bibliothèques.

Par l'entremise du **Programme des librairies associées**, plusieurs librairies commerciales sont maintenant des points de vente des publications du gouvernement canadien. Ces libraires vendent une sélection de titres choisis en plus de fournir aux clients un service de commandes spéciales pour les titres demandés et qui ne seraient pas en librairie. De plus, en l'absence d'une librairie associée dans votre région, votre librairie locale peut aisément commander nos publications, ou encore, vous pouvez envoyer directement votre commande à l'adresse suivante:

Centre d'édition du gouvernement du Canada
Ministère des Approvisionnements et Services
Ottawa (Canada)
K1A 0S9
Télex: 053-4296 — **Télécopieur:** 994-1498
Commandes téléphoniques: (819)997-2560

Le *Centre d'édition du gouvernement du Canada* administre également le **Programme du service de dépôt**. Ce programme permet aux bibliothèques publiques et éducationnelles d'obtenir gratuitement et régulièrement les nouvelles publications du gouvernement du Canada. Il y a deux catégories de bibliothèques de dépôt: universel et sélectif. Les dépôts universels reçoivent automatiquement un exemplaire de toutes les publications (gratuites ou tarifées) du gouvernement du Canada. Ces bibliothèques sont donc une excellente source pour la consultation des publications gouvernementales. Dans la présente liste, un astérisque devant le nom d'une bibliothèque signifie qu'elle possède le statut de dépôt universel.

Les dépôts sélectifs sont des bibliothèques ayant le droit de recevoir gratuitement, sur demande, un exemplaire de toutes les publications (gratuites ou tarifées) inscrites sur la *Liste hebdomadaire des publications du gouvernement du Canada*. Ces bibliothèques choisissent les titres qu'elles jugent utiles à leurs clientèles. Aussi, par l'entremise des prêts entre bibliothèques et autres moyens, les dépôts sélectifs sont en mesure de vous fournir la presque totalité des publications fédérales dont vous faites la demande.

Et voilà, pour vous, deux façons efficaces d'avoir accès aux publications du gouvernement canadien.

Le répertoire suivant indique les endroits où vous pouvez **acheter** ou **consulter** ces publications à travers le Canada.

Les publications **gratuites** publiées par le gouvernement fédéral sont disponibles seulement des ministères responsables. Les publications tarifées produites par le Conseil national de recherches, Statistique Canada et les Musées nationaux du Canada sont disponibles seulement de ces organismes. Pour votre convenance nous avons inclut une liste d'adresses des ministères qui distribuent des publications gratuites. Si vous désirez obtenir des renseignements supplémentaires, veuillez vous adresser directement au ministère concerné.

Volume 3 in the "Records of our History Series". This attractive National Archives of Canada publication reproduces, in colour and black-and-white, 113 archival documents - manuscripts, maps, works of documentary art and rare printed items relating to the period from the Conquest to the end of the War of 1812. The book, which can be used by scholars and the general public both as a reference tool and as general history, is designed to allow readers to browse through or read it from cover to cover. The wealth of records it contains should make Canadian history more alive and meaningful.

Volume 3 dans la série "Les documents de notre histoire". Cette magnifique publication des Archives du Canada présente, en couleur et en noir et blanc, cent treize documents d'archives, soit des manuscrits, des cartes, des exemples d'art documentaire et des imprimés rares ayant trait à la période entre la conquête et la guerre de 1812. Ce livre, qui pourra être utilisé par l'amateur aussi bien que par le grand public tant comme ouvrage de référence que manuel d'histoire générale, est conçu de façon à permettre aux lecteurs de le feuilleter simplement ou de le lire du début à la fin. La richesse des documents qu'il contient devrait élargir la connaissance et la vision des Canadiens à l'égard de leur passé.

Canada

Canadian Government Publications are available across Canada!

Federal government publications are easily accessible to the Canadian public. To ensure this, the *Canadian Government Publishing Centre* has developed two programs which touch both commercial booksellers and libraries.

Through the **Associated Bookstores Program**, many commercial bookstores throughout Canada become outlets for the sale of Canadian Government publications. They carry a selection of the most requested priced titles and will order for you any other of our priced publications that they may not currently have in stock. If there is not an associated bookstore in your area, your local bookstore can order the required publication, or you may order directly by writing to the following address:

Canadian Government Publishing Centre
Supply and Services Canada
Ottawa, Canada
K1A 0S9
Telex: 053-4296
Telephone orders: (819)997-2560

The *Canadian Government Publishing Centre* is also responsible for the **Depository Services Program**. Through this program a large number of public and educational libraries regularly obtain new Canadian Government Publications free of charge. There are two types of depository libraries — full and selective. The full depositories automatically receive all federal government publications (free and priced). These libraries are therefore an excellent source for consulting a major selection of government publications. Full depositories are indicated by an asterisk in this list.

The selective depositories are those libraries entitled to select, free of charge, any title appearing in the *Weekly Checklist of Canadian Government Publications*. Selective depositories choose titles that are best suited for the needs of their clientele. Through interlibrary loans and other means, the selective depositories can provide you with just about any federal government publications you require.

There you have it! Two excellent means of accessing federal government publications.

The following list is your guide to where these publications can be either **purchased** or **consulted** across Canada.

Free federal government publications are only available from the departments that publish them. For your convenience we have included a list of addresses of the major departments that distribute free publications. For information you should write directly to the department concerned.

Les publications du gouvernement du Canada sont disponibles à travers le Canada!

Le grand public canadien a facilement accès aux publications du gouvernement du Canada. Ceci est rendu possible par le *Centre d'édition du gouvernement du Canada* qui a développé deux programmes impliquant les librairies commerciales et les bibliothèques.

Par l'entremise du **Programme des librairies associées**, plusieurs librairies commerciales sont maintenant des points de vente des publications du gouvernement canadien. Ces libraires vendent une sélection de titres choisis en plus de fournir aux clients un service de commandes spéciales pour les titres demandés et qui ne seraient pas en librairie. De plus, en l'absence d'une librairie associée dans votre région, votre librairie locale peut aisément commander nos publications, ou encore, vous pouvez envoyer directement votre commande à l'adresse suivante:

Centre d'édition du gouvernement du Canada
Ministère des Approvisionnements et Services
Ottawa (Canada)
K1A 0S9
Télex: 053-4296
Commandes téléphoniques: (819)997-2560

Le *Centre d'édition du gouvernement du Canada* administre également le **Programme du service de dépôt**. Ce programme permet aux bibliothèques publiques et éducationnelles d'obtenir gratuitement et régulièrement les nouvelles publications du gouvernement du Canada. Il y a deux catégories de bibliothèques de dépôt: universel et sélectif. Les dépôts universels reçoivent automatiquement un exemplaire de toutes les publications (gratuites ou tarifées) du gouvernement du Canada. Ces bibliothèques sont donc une excellente source pour la consultation des publications gouvernementales. Dans la présente liste, un astérisque devant le nom d'une bibliothèque signifie qu'elle possède le statut de dépôt universel.

Les dépôts sélectifs sont des bibliothèques ayant le droit de recevoir gratuitement, sur demande, un exemplaire de toutes les publications (gratuites ou tarifées) inscrites sur la *Liste hebdomadaire des publications du gouvernement du Canada*. Ces bibliothèques choisissent les titres qu'elles jugent utiles à leurs clientèles. Aussi, par l'entremise des prêts entre bibliothèques et autres moyens, les dépôts sélectifs sont en mesure de vous fournir la presque totalité des publications fédérales dont vous faites la demande.

Et voilà, pour vous, deux façons efficaces d'avoir accès aux publications du gouvernement canadien.

Le répertoire suivant indique les endroits où vous pouvez **acheter** ou **consulter** ces publications à travers le Canada.

Les publications **gratuites** publiées par le gouvernement fédéral sont disponibles seulement des ministères responsables. Pour votre convenance nous avons inclut une liste d'adresses des ministères qui distribuent des publications gratuites. Si vous désirez obtenir des renseignements supplémentaires, veuillez vous adresser directement au ministère concerné.

Canadian Government Publications are available across Canada!

Federal government publications are easily accessible to the Canadian public. To ensure this, the *Canada Communication Group - Publishing* has developed two programs which involve both commercial booksellers and libraries.

Through the *Commercial Network*, many bookstores throughout Canada have become outlets for the sale of Canadian government publications. A small group of specialized bookstores, at least one per province, carry a selection of the most requested priced titles. Other booksellers in your area can order for you any of our priced publications that they may not currently have in stock. You may also order directly by writing to the following address:

Publishing Division

K1A 0S9

Information: (819) 956-4800
Telephone orders: (819) 956-4802
Fax: (819) 994-1498

The *Canada Communication Group - Publishing* is also responsible for the Depository Services Program. Through this program a large number of public and educational libraries regularly obtain new Canadian government publications free of charge. There are two types of depositories: *full* and *selective*. The *full depositories* automatically receive all federal government publications (free and priced). These libraries are therefore an excellent source for consulting a major selection of government publications. Full depositories are indicated by an asterisk (*) in this list.

The *selective depositories* are those libraries entitled to select, free of charge, any title appearing in the *Weekly Checklist of Canadian Government Publications*. Selective depositories choose titles that are best suited to the needs of their clientele. Through interlibrary loans and other means, the selective depositories can provide you with just about any federal government publications you require.

There you have it! Two excellent means of accessing federal government publications.

The following list is your guide to where these publications can be either **purchased** or **consulted** across Canada.

Free federal government publications are only available from the departments that publish them. Priced publications produced by the National Research Council, Statistics Canada and the National Museums of Canada are only available from those organizations. For your convenience we have included a list of addresses of the major departments that distribute free and/or priced publications. For information you should write directly to the department concerned.

Les publications du gouvernement du Canada sont disponibles à travers le Canada!

Le grand public canadien a facilement accès aux publications du gouvernement du Canada. Afin d'assurer cette facilité d'accès, *Le Groupe Communication Canada* — Édition a mis au point deux programmes qui touchent les librairies commerciales et les bibliothèques.

Par l'entremise du *Réseau commercial*, bon nombre de librairies sont devenues des points de vente des publications du gouvernement canadien. Un petit groupe de librairies spécialisées, à raison d'au moins un libraire par province, offre une sélection des publications tarifées les plus populaires. D'autres librairies locales peuvent commander pour vous les titres qu'ils n'ont pas en stock. Vous pouvez également envoyer directement votre commande à l'adresse suivante :

Le Groupe Communication Canada — Édition administre également le *Programme du service de dépôt*. Ce programme permet aux bibliothèques publiques et scolaires d'obtenir gratuitement et régulièrement les nouvelles publications du gouvernement du Canada. Il y a deux catégories de bibliothèques de dépôt : *universelle* et *sélective*. Les dépôts *universels* reçoivent automatiquement un exemplaire de toutes les publications (gratuites ou tarifées) du gouvernement fédéral. Ces bibliothèques constituent donc l'endroit par excellence pour consulter les publications gouvernementales. Dans la présente liste, l'astérisque (*) sert à identifier les dépôts universels.

Les *dépôts sélectifs* sont des bibliothèques qui peuvent sélectionner gratuitement toute publication inscrite sur la *Liste hebdomadaire des publications du gouvernement du Canada*. Ces bibliothèques choisissent les titres qu'elles jugent utiles à leur clientèle. Par l'entremise des prêts entre bibliothèques et autres moyens, les dépôts sélectifs sont en mesure de vous fournir la presque totalité des publications fédérales dont vous avez besoin.

Et voilà pour vous deux façons efficaces d'avoir accès aux publications du gouvernement canadien.

Le répertoire suivant énumère les endroits où vous pouvez **acheter** ou **consulter** ces publications partout au Canada.

Les publications gratuites du gouvernement fédérale sont disponibles seulement des ministères responsables. On peut se procurer les publications tarifées produites par le Conseil national de recherche, Statistique Canada et les Musées nationaux du Canada seulement auprès de ces organismes. Pour votre convenance nous avons inclus une liste d'adresses des ministères qui distribuent des publications gratuites et/ou tarifées. Si vous désirez obtenir des renseignements supplémentaires, veuillez vous adresser directement au ministère en question.

Shipping and Handling Charges / General Sales Tax

Please note that, with the exception of subscriptions, shipping and handling charges apply on all mail orders including amendments issued as part of Standing Order Service. Please see the Order Form enclosed with your catalogue for the current rates. The GST is applicable on all items, including shipping and handling fees, unless otherwise indicated. The GST does not apply to goods for export.

Method of payment

Purchase orders are accepted from government and registered companies and organizations. Pre-payment is required in all other cases. Cheques and money orders should be payable to the Receiver General for Canada. Visa and MasterCard are accepted. Please note that prices are subject to change without notice.

Returns / Claims

All sales are final. In the case of damaged, defective publications, or incorrect shipment, publications will be replaced if the claim is made within 7 days of receipt of publication. For subscriptions and standing orders, claims for missing issues must be made within 3 months of the release date for Canada and 6 months for subscribers outside Canada.

Standing Order service

The standing order service applies to publications for which amendments are foreseen. When published, these amendments are automatically shipped to the customer and the cost (including shipping and handling fees) which can vary from one amendment to another, will be charged, no matter the number of copies purchased as long as they are shipped to the same address. The shipping and handling fees do not apply to the \$3.00 registration fee.

Co-published Publications

Booksellers must order co-published titles directly from the co-publisher concerned, and not from the Canada Communication Group-Publishing, if they expect to receive a trade discount.

To consult publications

A large number of public libraries across Canada are depositories for government publications and receive federal publications free of charge. If your local library does not have the publications you want, they should be able to obtain it through interlibrary loans. A list of depository libraries is available on request.

Orders from outside Canada

Please consult the list of *Distributors outside Canada*.
